

Knoxville TVA Employees Credit Union

Learn Final Presentation

Overview

Upon successful completion of this presentation, you will be able to:

- Identify the responsibilities of the assigned department.
- Explain how the assigned department contributes to the success of the Credit Union.
- Summarize future challenges of the assigned department.
- Give an example of a take-away from the assigned department's session you can/have utilized in your current role.

To accomplish these objectives, you will present on the assigned department for 8-10 mins during the November Learn session. The presentation should include at least one type of media (PowerPoint, handout, etc.), and the ideas presented should be logical and applicable to the topics.

To ensure your presentation is successful, use the Connect, Communicate, and Challenge framework to organize your information and review the content for creating an effective PowerPoint.

All presentations should be saved on the U:Drive (U:Drive/Training/Learn/"Your Name").
